National Service Training Program A.Y. 2023-2024 Component Confirmation Form

This is to confirm that my child/ward (Name of Student) Lorenz Bernard B. Marqueses with ID Number 12307637 from the College/School of Computer Studies has discussed and consulted with me the content of NSTP101 and from the three program components (ROTC, CWTS, and LTS) and we have jointly decided to select (please write one NSTP Component):

The reason for selecting the NSTP Component is:

LTS will provide opportunities for building up skills that will be of great use in a coordinated environment. The experience will greatly help in future endeavors that involve project planning and handling people, and is in line with a vision of ensuring literacy and access to quality education nationwide.

This serves as our confirmation for the selected NSTP Component and we understand that the submission of the form makes the decision final. Included in the submission of the form is a government issued ID for signature confirmation.
